

SEASONAL WORK OPPORTUNITIES IN THE EASTERN BAY

Every year OPAC employs hundreds of seasonal workers in a range of orchard and packhouse roles from entry level to team management. We are taking applications for the 2018 season NOW for both our packhouse (day and night shift) and orchard work

DID you know?

1. Many of our seasonal roles do not require previous experience, we have experienced trainers ready to teach you
2. The main harvest season runs from March-June. if you are interested, further work becomes available after this- with CA and repack work in the packhouse plus orchard work all year round
3. OPAC pay rates are all above the legal minimum rate and more for team leader and specialised roles
4. We employ more than 70 permanent staff, and opportunities exist for career development. Working in kiwifruit includes practical horticulture, technology, science and business
5. There is no dull day in kiwifruit it's a dynamic and exciting industry and at OPAC there is an opportunity to meet and work alongside people from all over the world

Positions available

Team Leaders: we need people's people to manage, coach and lead teams made up of between 5-20 staff

Forklift operators: we are looking for **forklift operators** for **field work, coolstore work and logistics**. Previous experience is not a requirement

Team members: A number of positions available in **production, quality and logistics** areas plus kiwifruit **picking** in the orchard

Harvest Machinery operators: In our **orchard based machinery crew** we have a number of vacancies for tractor and transporter drivers

Quality controllers: We have opportunities for enthusiastic people to fill roles within the quality functions (in the **packhouse** and in the **orchard**) for the kiwifruit season. Our ideal **Accredited Quality Controllers** will have:
Kiwifruit industry experience
Working knowledge of Zespri Quality assurance systems

What you need:

- A positive, can-do attitude
- A willingness to be flexible and able to adapt in a fast-paced environment
- A hunger for learning, ownership and to be a leader in everything you do
